**COMBINED AMENDMENT AND RESPONSE
TO RESTRICTION REQUIREMENT**

Sir:

This is in response to the Office Action mailed on April 6, 2006 in the above-referenced patent application. A response was due on May 6, 2006, but the action was mailed to the undersigned's old address and returned to the USPTO as undeliverable. Fortunately, the status of this application was checked and the mailing of the action was discovered before the application went abandoned. The undersigned requested by telephone that the response date be restarted, but that request was denied. Accordingly, the Applicant requests a two-month extension of the term for responding. A Petition Requesting Two-Month Extension of Time is being submitted herewith, along with a change of correspondence address.

In response to the restriction requirement, the Applicant requests that the claims be amended as follows:
